Welcome to Filcomm

A leading player in the sweater industry with over 26 years of experience.

Our journey began in 1996 with a strong focus on delivering high-quality products and excellent customer service. Over the years, we have evolved and expanded our operations to include Filcomm China, founded in 2001, and S.S. Sweater Ltd. in Bangladesh, established in 2007. At Filcomm, we recognize the advantages of a vertical production model that leverages the strengths of both China and Bangladesh. At Filcomm, we understand the dynamic nature of the fashion industry and the ever-changing demands of our customers. We continuously strive to stay ahead of trends and deliver innovative designs that captivate the market.

We value the relationships we have cultivated with our valuable customers over the years. Their trust and loyalty inspire us to continually improve and exceed expectations. In China, we specialize in producing and exporting fancy yarn to the Asian market. Our extensive range of yarns encompasses various materials and dyeing methods, including brushed, slub, tape, feather, tube, roving, boucle, T/T, and many more. In Bangladesh, S.S. Sweater Ltd. operates as a 100% export-oriented sweater industry. Our state-of-the-art manufacturing unit enables us to produce all kinds of sweaters, including pullovers, cardigans, knitted skirts, and scarves.

Thank you for choosing Filcomm. Our dedicated team of professionals works tirelessly to ensure that our products meet the highest quality and remarkable standards. We look forward to serving you with our exceptional products and unwavering commitment to your satisfaction.
